Kito Alfresco Aluminium Side Chair

OCCASIONAL SEATING | MS-C1440-STAL

The Kito Series combines a steel frame with a formed aluminium seat and back, finished in a single tone for a crisp, industrial look.

Suitable for alfresco settings – outdoor areas under cover.

Durable and easy to clean, Kito is ideal for cafés, food courts, education settings and covered outdoor areas.

Design Notes

The tonal finish gives Kito a clean, monolithic presence, while the aluminium shell keeps the chair lightweight. Frame, timber and upholstery finishes can be specified for project orders.
