Nero Lounge Chair with Chrome Frame

OCCASIONAL SEATING | MS-LC1782-STWP

The Nero Lounge Chair brings the curved timber backrest of the Nero Series to a lower, more relaxed form, set on a slim 16mm chrome frame with a soft upholstered seat.

It suits reception areas, hotel lobbies, breakout spaces and residential amenity lounges.

Design Notes

The slim chrome frame keeps the chair visually light, allowing it to work in compact waiting areas. Frame, timber and upholstery finishes can be specified for project orders.
