Nero Side Chair with Oak Back

OCCASIONAL SEATING | MS-C1782-STWP

The Nero Series combines a matt black steel frame with a gently curved timber-veneer backrest and a cushioned fabric seat. The result is an understated chair that balances warmth and structure.

Nero is well suited to restaurants, hotel dining and meeting rooms, bringing a considered, residential feel to commercial settings.

Design Notes

The curved back follows the body for comfortable support through longer meals and meetings. Nero is also available as a low lounge chair. Frame, timber and upholstery finishes can be specified for project orders.
