Nima Square Cafe Table - 600mm

TABLES | MS-T1767-STE-6060

The Nima Café Table combines a steel column frame with a weighted terrazzo base, creating a stable, characterful table for two.

Nima suits cafés, bistros, breakout areas and amenity spaces where a compact table with real presence is needed.

Design Notes

Terrazzo adds natural weight for stability along with a speckled texture that brings interest to the floor plane. Frame, timber and upholstery finishes can be specified for project orders.
