Rilo Alfresco Steel Rod Side Chair

OCCASIONAL SEATING | MS-C1843-ST

The Rilo Series is formed from 14mm solid steel rod, creating an airy, open silhouette with a strong graphic presence. The all-steel construction is finished in a durable powder coat.

Suitable for alfresco settings – outdoor areas under cover.

Lightweight in appearance yet robust in use, Rilo suits cafés, bistros, clubs and covered outdoor dining areas where durability matters.

Design Notes

The open rod frame keeps the chair visually light, helping smaller spaces feel uncluttered. Rilo is also available as a counter stool. Frame, timber and upholstery finishes can be specified for project orders.
