Tylen Side Chair

TRAINING SEATING | AR-TIL-CH-01

The Tylen Side Chair reinterprets a timeless cultural motif through a contemporary, versatile design suited to hospitality, accommodation, workplaces, education, and public environments.

The design offers both visual softness and ergonomic support, making it an inviting choice for a wide range of settings—from dining areas and guest spaces to collaborative and informal meeting zones.

Tylen serves as a subtle storytelling element within modern furniture, it enriches spaces with a sense of meaning, connection, and refined character while supporting comfort and usability in high-traffic environments.
